Meeting Date:	Thursday, December 16, 2010 – 1:00-2:45
Location:	ISDH 8C
Participants:	Missy Hahn, David Roos, Emily Krauser, Sarah Paterson
Staff:	Judith Ganser, Andrea Wilkes, Maureen Greer, Rylin Rodgers

Summary of meeting:

Pre-agenda discussion

- The Sunny Start Wellness Passports and Developmental Calendars were distributed at the IYI annual conference

State of the Hoosier Child Report

- The investment in Early Childhood and its impact will be highlighted in this report. Data request will be going to partners starting after the first of the year.
- IYI does have a history of partnership with the McCoy Center in Marion County. Covering Kids and Families (CKF) recently had the opportunity to connect with them; John Brandon shared a document with CKF that Andrea will share with Emily and Sarah. Roy McCoy is a listing of all the youth services agencies in Marion County this is online www.roymccoy.org.
- It is possible that partnerships with and participation from McCoy may grow. Andrea will connect with John about the possibilities of partnerships.

Sunny Start Evaluation Report

- Emily shared a proposed outlined; the report will be organized around both activities of the subcommittees and the work plan to highlight progress and impact. An Environmental Health and Child Safety committee will be added and Family Leadership will be highlighted.
- Activity related to Early Care and Education is under the lead of Melanie Brizzi. The evaluation can highlight how the efforts support each other. This will be the same issue for Medical Home, and Social Emotional Committee.

- Sunny Start has an important role as an incubator for developing issues. The Head Start Collaborative group is another group that works closely in partnership and supports the efforts of Sunny Start. The ability to leverage supports across partners has been a cornerstone of the impact of Sunny Start.
- Andrea shared the Commonwealth report that highlighted Sunny Start collaborative activities:

- Sarah and Emily will plan to reconnect with IUPUI contacts for further data. David was interested in learning how and who will have access to new information related to health care outcomes. Missy indicated that she can serve as a connection if IYI needs to follow up with data request, to ensure that the right connections are made for needed request.
- It may be helpful to share the agencies that are Core Partners and let the corresponding Core Partner know about the data request to move that process forward effectively.
